The lodge has blocked out rooms for us at \$64 a night plus tax and must be reserved 30 days prior to the show. These rooms overlook the Tennessee River and are very comfortable. The lodge has a restaurant that is open for breakfast, lunch and dinner. A cash bar will be available on Friday evening for those that wish to have an adult beverage. This is a beautiful venue and the facilities are well suited for our needs. There is a loading dock just off the showroom for easy offloading but no ramp. There is an elevator off of the main lobby that can be used to get to the showroom.

There is a motel just outside the entrance to the park. It is the **Economy Inn**, Highway 72, Rogersville AL 1-844-663-2269.
